Hammerhead Parking A message from Bar Hill School

It is in the interests of all our children that we are considerate and safe when parking near the school at the start and end of the school day.

It is not safe to park or manoeuvre your car in the Hammerhead outside the school gates at times when children are making their way to and from school.

The safest places to park are in Tesco car park or the designated parking lay-by down Gladeside (opposite the library).

There have been several near misses. Don't wait for an accident to happen. Please help us to keep all our children safe by not using the Hammerhead.

With thanks,

Bar Hill School PTA and Governors.

Copy date for the next issue is 15th July to Margaret Sellars at bhneditor@yahoo.com, or see page 2 for other contact details.

Dear Editor

When is something going to be done about the number of HGV's ruining our village? We currently have a large vehicle parked in the slip road to Stonefield. Apparently the driver had a mechanical problem on the A14 and pulled in to fix the problem. It has been there for 3 hours now. This is not a one off problem. We constantly have these vehicles using Stonefield as a turning point at all hours of the day and night with reversing bleepers and revving engines. The damage to the road surface caused by these vehicles is there to be seen. This is in addition to the vehicles using Tesco's as a transport café, parking on grass verges and footpaths. The Parish Council appears to do nothing about this matter causing reduction in quality of life to Bar Hill residents. I suggest double yellow lines from the entrance of the village to the industrial estate and a weight restriction of 7.5 tonnes except for access for the rest of the village. Please give us some action instead of excuses.

Dear Editor

A friend visiting me walked past the church with me and asked me if it is the Bar Hill fire station. I told her it's the church and she said Bar Hill needs a real church not something that looks like a 1950's fire station. I had to agree with her. She's right. When I go to church at Lolworth it's a holy place with proper services. Bar Hill church is just a sports hall for the tumble tots. What a shame we can't have a proper church.

BUSINESSES IN THE MALL

This is a new series—all businesses in the Mall have been invited to submit an article for the "News" telling residents a little about their business:

Come and meet the boys at your local Carphone Warehouse!

In November 2007, The Carphone Warehouse opened its first ever store in Bar Hill and it is now a real part of your bustling community. In the shadow of the mighty Tesco, in the Bar Hill Mall, you will find a gem of a phone store that offers a personal, honest and unique service to help you with all your telecommunication needs.

Meet the team!

So who are we? Manager, Marco, brings a flavour of Italy to the store – well, ok he is originally from Bedford but he does eat pasta (!) – and will guarantee you not only get a friendly welcome in his store but will also do his best to get you the best deal and ensure you are happy with whatever service you require. He has only just become a father so don't be surprised if he is drinking lots of coffee and has big bags under his eyes!

Simon is the joker of the pack. He can often be seen making sure the shop looks its best and takes charge of all the marketing. Simon knows all there is to know about accessories! He is newly-married so he is the one often found daydreaming about his new wife!

Aaron is the shop's customer service champion. He will stop at nothing to help you find the right mobile phone for you and will make you laugh while he's at it! Aaron can be found playing his guitar into the small hours.

Finally, Pete is the broadband expert of the team. Any computer-related issues you have he's your man. He will happily take you through all our broadband offers and try to resolve any issues. If broadband isn't your thing he'll knock you up a cupboard as he used to be a carpenter!

What do we do?

You may think we are just a mobile phone store but you would be surprised to see what else we can do. Obviously, we do sell mobile phones (all varieties – internet/music/flip/smart phones – whatever you need) – offering impartial advice on handsets, accessories and tariffs to suit all needs. However we also offer Broadband services and landline services as well as selling iPods (and accessories), speakers, handsfree kits, key fobs, ringtones, phone charms...and of course Paul Pott's CD's!

Come and meet us

We like to think we are not like the other shops; we take our time and you will get an individual service. We make sure you fully understand the confusing world of mobile phones and the numerous tariff options as well as making calls on your behalf to the various people to help you get connected. Come to our store and you will feel you have stepped back in time to a place where service

is everything. Come and meet the team and find out what we do, whether you have a general query (you don't have to be buying anything!) or because you haven't had time to read your phone manual!

FAMILY RUN BUSINESS ~ 10 YEARS IN THE VILLAGE

CRICKET CLUB

SCOTT Stanford smashed his third league century for the club – and fell two runs short of adding another in a friendly match as Bar Hill enjoyed some memorable performances over the last month.

His century came at Burrough Green and included six sixes as he reached 102. **Sam Clare** also crossed the rope on his way to 42 not out as Bar Hill reached 243 for 6.

Burrough Green were then reduced to 0 for 3 and never recovered, being finally dismissed for 75 as **Adam Dean** took four wickets and Steve Holt three.

The next match saw Bar Hill on the receiving end of an eight-wicket defeat at Whittlesford, after being bowled out for 89, but they bounced back by beating Longstowe. **Clare** scored 33 and **Dean** 29 as the hosts reached 127 for 9 in difficult conditions. But Longstowe folded for 98 as **Dean, Stanford and Craig Driver** took three wickets apiece.

Dean was also among the wickets in the final match of the month against USSC, but Bar Hill's batting was below par as they lost by 55 runs despite 25 by **Sam Clare**.

The seconds won two matches without bowling a ball as both Abbots Ripton and St Ives IV defaulted. **Ben Dugan** was the hero of the only "real" win of the month as he hit 28 not out to seal a three-wicket win over March IV in the penultimate over. **Tom Levitt** had earlier taken 4 for 35 as March were bowled out for 124.

However, Sutton proved too strong for the seconds, despite another three wickets for **Levitt**, 31 from **Dave Fletcher** and 25 from **Paul Stimpson**, as they won by 21 runs.

Only two friendlies were possible due to the weather, but both resulted in victories. **Stanford's** innings of 98 was at Fulbourn, where he shared a stand of more than 150 with **Phil Pelling**, who ended with 71.

It led Bar Hill to 224 for 9, but despite **Martin Cullum** taking four early wickets, the hosts refused to lie down, and a hundred from their captain took them to the verge of victory. But he was out at a crucial stage and Bar Hill held on to win by four runs. The other win was against Globe, who were bowled out for 128, before **Clare**

(67 not out) and **Nick Warner** (32 not out) took Bar Hill to a seven-wicket victory.

The youth matches have been coming thick and fast, with the under-15s leading the way with victories over Cambourne, Over and City of Ely.

Frazer Leader's spell of 4 for 5 was the key to beating Cambourne, while **Sam Clare** hit 51 not out against Over and 78 against Ely. **Leader** also took four wickets against Chatteris, but was unable to prevent a two-wicket defeat.

Sam Clare's unbeaten 45 was the highlight of the under-14s eight-wicket win against Over, but they were

well beaten by an excellent Saffron Walden side.

The under-12s are improving with every match, with **Zak Gedny** the leading run-scorer so far.

Youth training is on Tuesday nights at 6.30 pm on the Village Green. Membership for youth players costs just £15 per year, which includes all training sessions and matches. Anyone who has not already joined can just turn up on a Tuesday night, or contact our youth co-ordinator **Simon Smith** on 200207.

We are also hosting a district youth match for the first time, on July 24, when South Cambs Herons under-15s face Fenland.

For new adult members or any other queries, contact me on the number below.

GOING GREEN AT BAR HILL SCHOOL

Did you see the lovely article in the Cambridge Evening news featuring the new vegetable garden at the school? It's part of our campaign to 'Make our School Greener'.

With the help of a parent who is an environmental expert at Anglian Water we have signed up for the Eco-Schools scheme. An Eco-Team, made up of pupil representatives from every class, staff and governors, is reviewing the school's performance on a range of topics including water, waste, energy, litter and transport. Together, we have created a plan of actions to make the school greener. We are learning that small changes by many people add up to big changes overall. The whole school is involved and we have already qualified for the Eco-Schools Bronze award!

We'd
love it if
more
people
could
get

involved, especially

with the garden. If you could offer any help or would be willing to share ideas and expertise, do please get in touch with the school office.

The annual Family Fun Day will be on Saturday 12th July on the school field. This great event will feature many activities and games, and there'll even be a suitably themed stall from the Eco-Team. We hope to see you there!

Report by Cambridgeshire County Councillor John Reynolds

Removal of Telephone Boxes

Another item has been added to the long and growing list of amenities under threat. BT is currently holding a consultation on the removal of a large part of its public telephone boxes. According to BT, 60% of the 61,792 public payphones in Great Britain no longer cover their costs, and they have circulated a list of 68 telephone boxes in South Cambridgeshire that they want to remove.

BT say that 99% of households have a fixed line phone and 90% have a mobile phone – this means that 10% of us don't have a mobile phone, and rely on public phone boxes when out of the house.

The consultation closes on 6th September 2008. To have your say, please write to:

BT Payphones, PP 05A23, Delta Point, Wellesley Road, Croydon, CR9 2YZ

Christian Aid Week 2008

Christian Aid Week in May involved 56 people from Bar Hill Church, who delivered envelopes, called at homes in the village, and counted and checked the proceeds. By their efforts a record amount was collected. Some of us are living in hard times financially these days, but the response shows that many are aware of how favourable our circumstances are in comparison with those of most of the world.

Altogether £2,984 was raised in Bar Hill for those in need. Gift Aid declarations added another £435 to the total – it's a great result. Thank you to all who took part in any way.

The Bar Hill Massive Youth Project Trust

The Trust's AGM will be held on Wednesday 16th July at 8 pm in the Church TNT room (small meetings room at the back of the main Church). We are still looking for a Treasurer and for more information please contact the Chairperson, Claire Thorby on 01954 781527 or via email claire_thorby@tiscali.co.uk

SHED SECURITY

Outbuildings, garages and garden sheds are being increasingly targeted by burglars. The standard security locks and doors supplied with buildings of this nature often represent to burglars an easier target than alarmed, double glazed, occupied houses. There are a few simple measures that can be taken to vastly improve their security.

Padlocking your garden shed ensures the lock cannot be broken open. However, padlocks can be easily circum-

navigated by levering or forcing the lock itself off the flimsy wooden doorjamb and surround, leaving the padlock intact and locked and the shed insecure. Replace the lightweight 'T' hinges that come as standard on most garden sheds with heavier ones, and replace

all screws with security screws. Fix the roof to the walls from the inside, and bolt the floor to the foundation with bolts through the floor bearers. This will prevent the roof being pried off or the whole shed being lifted away: it has happened in the past!

If possible, fit window locks to all opening windows on your shed or garage. Fix 50x50mm steel weld mesh to the inside of the window, and consider frosted glass to prevent someone looking in and seeing what's inside. Consider bracing the insides of doors with additional timbers, fitting 5/7 lever insurance locks to external doors and fit additional bolts to the corners and bottom of garage doors.

Think about how easy it is for someone to enter your garden from a road, alleyway or other garden, especially if you live in a terraced house. Cambridgeshire Constabulary runs Operation Thistle, providing information and advice about how to secure your garden. For a leaflet or more advice about garden or home security, please write to:

ANTI SOCIAL DRINKING

I would like to remind everyone that Bar Hill does still have a DPPO in place which covers the whole village. Designated public places orders (DPPO's) are a tool that can be used by local authorities to deal with the problems of anti-social alcohol drinking in public places. Once a DPPO is in place the police and PCSO's can use their confiscation powers to enforce the restriction. It is not an offence to consume alcohol within a designated area, but failure to comply with an officer's requests to **stop drinking and surrender alcohol without reasonable excuse** is.

If you do happen to see groups drinking please contact us on 0845 456 456 4

Thank you

COUNTY COUNCIL CRITICAL OF PLANS FOR NEW AIRSPACE ABOVE CAMBRIDGESHIRE

The County Council's Cabinet fired a broadside at plans to create new stacking areas for aeroplanes over Cambridgeshire. The National Air Traffic Services (NATS) has been consulting on plans to increase the number of planes flying over the county by replacing the two shared holds for Luton and Stansted airports with three new holds - one for Luton and two for Stansted.

The proposed 'Luton Hold' would cover airspace to the west of Cambridge, south of Huntingdon and east of St Neots. The Cabinet meeting delegated Councillor Matt Bradney to finalise its response based on concerns about the way the process had been handled by NATS and the impact the proposed new stacking arrangements could have on the Cambridgeshire.

Information Centre

As you may all now be aware work has finally started on the Information Centre. The demolition has happened by now and it's all systems go!

For all you regular walkers out there

The County Council has produced a Countryside Access Map entitled "Walks and Rides around the Northstowe Hundred". A very interesting history of the local countryside and lots of pleasant walks and bike rides for you enthusiasts. If you would like a map please call in to the office as I have been given a substantial supply.

Lost Property

Someone please take these bikes off my hands! If they are not claimed by the end of June they will all be dumped. They are all free to a good home (although a couple need minor repairs as the chains have gone).

Dumping of Rubbish/Green Waste

I have had several complaints from residents who have witnessed other residents dumping their green waste around the village, especially along the drift (Appletrees) and on the other side of the perimeter road. Although the waste may be green, it is still classed as fly tipping and as such is a criminal offence. Please use your green bins wherever possible. If you have too much to fit in your bin, you can call South Cambs District Council and they will pick it up from your property.

Theft

Please be aware that now that the weather is improving there has been a spate of thefts of pots and plants from front gardens. Please be vigilant and if you see anything suspicious please call the police.

Police Surgery

Karen Mahoney, our PCSO, is holding police surgeries in the Parish Council Office every third Wednesday in the month between 10 am and 12 noon. If you have any issues you would like to raise with the Police please come along and see her. No appointment necessary.

Parish Council Meetings

RIVER CAM GETS FIRST NEW CROSSING SINCE 1971

A landmark £3 million bridge for cyclists and pedestrians was opened to the public on Thursday, 5 June. The bridge will provide a much-needed cycling and walking link into and out of the City Centre.

The spectacular new bridge spans the River Cam and provides a link from St Andrew's Road in Chesterton across to Riverside. It includes features such as a low level walkway, a separate cycleway, and seating areas for people to relax and enjoy views of the river.

My love for dogs.

'My love for dogs' offers home boarding for your canine friend. I am a dog lover, smitten with them and my home is totally dog friendly. I am delighted to open up our home so that whilst you are on holiday, your dog has a holiday in the comfort of our home, with a totally secure garden.

I am fully insured, police checked and have grown up with dogs all my life. Holly, our beautiful golden Labrador puppy, now 9 months old, loves to play with new friends.

Rest assured that your dog will have at least two long walks a day either at the heath nearby to our home, or in the fields surrounding our village. We also utilise on a daily basis on local village recreation ground and play ball games there.

Bar Hill THE 24-HOUR Out of School Club

SPARC Building, Gladeside
Tel: 07883 739368 during Club hours

We are situated in a purpose built building next to the School, with direct access from the playground. We provide Childcare for children aged 4-11 in a safe and caring home-from-home environment, with trained and experienced staff.

Our sessions provide the children with a wide range of activities from pool to computer games, dressing up to craft, and lots more or, if they wish, they can chill out on our comfy sofas. We can also use the safe environment of the school playground for outdoor activities.

During the holidays we have themed activities, which the children are involved in choosing, as they are with many other issues, such as outings etc – as it is their Club, they even chose its name. The children are given a snack, such as pasta or filled pittas, followed by a biscuit and fresh fruit. We also make birthday cakes to celebrate each child's birthday, which are shared.

We are registered with OFSTED, and we accept employers' childcare vouchers.

Session Times

After School 3.10 pm – 6 pm Monday – Friday

School Holidays 8.15 am – 6 pm Monday – Friday

Closed on Bank Holidays

Hiring

DISTRICT COUNCILLOR BUNTY WATERS' REPORT

TREE CARE TIPS

As summer arrives tree officers at South Cambridgeshire District Council (SCDC) are offering top tree tips to residents on how to care for trees during the summer months.

SCDC top tree tips for the summer are:

- **trees have occupants** - don't forget that during the summer birds such as house sparrows and blackbirds will be nesting in trees so check before carrying out any work
- **inspect trees** - summer is the time when diseases and disorders show themselves so it's the best time to help trees with any problems they might have
- **help young trees and establishing trees** during the summer by **watering heavily through dry spells**, keeping them free from competing weeds and topping up mulch to help prevent evaporation of valuable moisture from the soil

OPINIONS SOUGHT ON PLANNING DOCUMENTS

Residents across South Cambridgeshire are being asked for their opinions on new planning documents affecting conservation and development as part of a consultation which started on Friday 6 June.

The consultation will allow people to have their say on a new suite of documents designed to help architects, developers and home improvers understand their responsibilities to the built and natural environment. The supplementary planning documents are on:

- developments affecting **conservation areas**
- **trees and development sites**
- **public art**
- **open space** in new developments

Happy Hours Recycled Youth Club

The big even this month will be the Village Fête, on Saturday 5 July. We will be holding a stall, with Tombola and some amazing prizes to be won. Also we will be showing some photographs and items to bear in mind this year's theme of the 1940's. This will be in the Village Hall. The Village Sports and Social Club will be open to non-members, so do find time to pay a visit to see what a wonderful, well appointed, Club we have on our village. If you try a drink, you will find how competitive prices are.

Outings

On Wednesday 4 June, a party of our members travelled to Nottingham, where we first called at the Park Yacht Inn for tea or coffee, before boarding the Nottingham Princess, for a river cruise on the Trent from Nottingham to Stoke Bardolph, a return journey of some three hours. The boat had two decks and can carry a total of 170 passengers. We sat in comfort on the top deck where we enjoyed an excellent two course meal followed by coffee or tea. There was also a nice well stocked bar, so many of our members were able to enjoy a glass of wine or other drink, with their meal. What a wonderful way to spend a fine summer's day, eating and watching the countryside and wildlife pass by.

Speakers

Joan Tanton has arranged two speakers for the forthcoming weeks. The first will be Nick Barraclough, a well known Radio Presenter, following which we will have a speaker from COPE, the Cambridgeshire Older People's Enterprise. I know that the first will be most entertaining whilst the second one will be most informative and interesting.

Sickness

I have recently been in touch with Sid Hunt, and am pleased to report that both he and his wife Ruby are making steady progress. He did ask me to say that both are now getting much help and support from Social Services, for which they are both thankful. They know that many of our members send their best wishes and hope that their recovery will be maintained.

Obituary

Having just returned from holiday, we are saddened to hear of the death of Beryl Cundy, a regular attendee at the Club. Beryl was taken ill only a few weeks ago, and her death was no doubt a shock to many of her friends. We will miss Beryl, and her cheerful and friendly manner. Our sympathy is given to Maureen and other members of her family: she will be sincerely missed.

NICK'S NATURE NOTES

Just recently I've been spending some time in Norfolk, between Gt Yarmouth and Lowestoft. It's good going to other areas to see wildlife I wouldn't expect to see around Bar Hill.

Nearby, is Breydon Water, with its curlews, avocets, redshanks, ringed plovers, shelducks, oystercatchers and black-tailed godwits and marsh harriers

which effortlessly sear and glide above the extensive reedbeds.

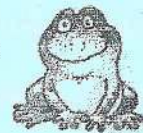

Barn owls 'quarter' the small fields during daytime, making it so easy to see and admire them, and appreciate their hunting technique.

Dragonflies and damselflies patrol along the flower rich streams and dykes, and moving quietly, you can watch water voles going about their daily business, the occasional grass snake can be seen swimming in the stream looking for food, and what a joy it is to watch the ariel antics of the dragonflies, 'dasters' usually sitting on a favourite branch or reed stem watching for their dinner to pass by, then darting out to grab it and the 'hawkers', which hawk up and down the waterway chasing and grabbing whatever takes their fancy fascinating.

If I'm not by the water I'm walking through the Waveney Forest. This is a conifer forest - not my favourite habitat: I do much prefer broad-leaved forests and woods but beggars, and all that.

One highlight of a conifer forest/woodland is our smallest member of the tit family ... the coal tit, plus jays, magpies, green and great spotted woodpeckers and one of my favourites, Munkjac deer which, if stalked quietly and carefully, can be approached quite close. I love to see them and marvel at their beauty; all deer are bucks and does, apart from Red Deer which are stags and hinds.

Then before I know it, it's back to work again.

RESIDENTS' ASSOCIATION

Interested residents are always welcome at our meetings which are normally held on the second Monday of the month at the Parish Offices at 8 pm. The next meeting will be on 14 July.
